SENSE, YOUR GATEWAY TO ESCAPE

Reflecting the expertise of France Sauna, the Sense brings together all the elements that promote peace of mind and relaxation of the body. The stove of this steam sauna provides the warmth necessary for the benefits of a traditional sauna.

The LED strips, positioned at the top of the cabin and behind the backrest, create a soft and soothing atmosphere, while the large glass surface offers a pleasant feeling of openness.

Comfortably seated or lying down, find the ideal position to relax your body and mind in this traditional sauna made of Canadian spruce.
